

Book Drive

Part of an early literacy initiative.

Having books in the home in early childhood has been shown to increase lifelong learning and health outcomes. To support early literacy in our community, we are holding a book drive for children this Christmas who are in shelters or who do not have easy access to books. We are looking for books for children aged 2-10 years old.

Donations can be dropped off from November 10th – December 10th.
